"OUR 56th CHRISTMAS"

Does not that alone speak volumes for this big store of "Lansburgh & Bro."? It means that "Grandmother" did her Christmas shopping here, "Mother" did her Christmas shopping here, and now we welcome "You" with an assurance of "Better Service" and the greatest display of Holiday stocks that were ever crowded under one roof, and—the prices are moderate, of course.

SHOP EARLY---EARLY IN THE WEEK

Our Christmas stocks are now at their best. There is less hurry and more elbow room in the store now. Salespersons can, of course, give you better service now. From every viewpoint it is advantageous, if possible, to shop early in the day, before the store becomes crowded. While we intend to do all that human efficiency and endurance can do to give faultless service up to the last minute, our friends can help us greatly if they "Shop Early."
